Exercise

About this easy read booklet

This booklet is about exercise.

You can learn about how to keep healthy by exercising.

If you are worried about your health, you should talk to a doctor or nurse.

Exercise

You can make changes to your life that may make you less likely to get cancer.

You can do things to stay healthy. Exercise is one of these things.

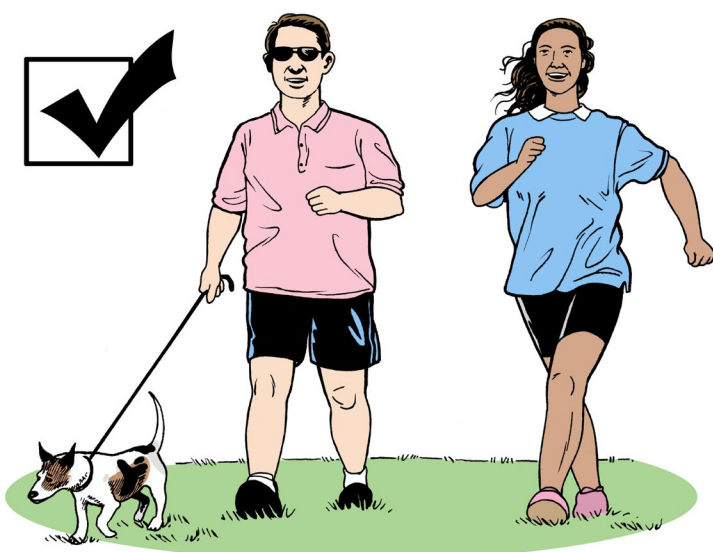

If you are overweight, you are more likely to get cancer.

You may need to eat less or change what you eat. You can read more about healthy eating in our booklet **Eat a healthy diet.**

It is important to exercise to keep your body healthy.

Any activity that helps you move your body is good for you. Here are some good things to do:

- walking

- swimming

- cycling

- gardening

- yoga

- playing sports.

If you are finding it hard to exercise, there are people who can help. For example:

- a fitness instructor

This is someone who helps you learn how to exercise. They usually work in a gym or sports centre.

- a physiotherapist

This is someone who helps you exercise after an illness or an injury. They usually work in a hospital or health centre.

Your doctor can tell you about people who can help. Talk to your doctor if you need any more information about exercise.

How Macmillan can help you

You can get support from:

- The Macmillan Support Line. Call **0808 808 00 00** 7 days a week, 8am to 8pm.

- The Macmillan website. Visit [macmillan.org.uk](https://www.macmillan.org.uk) for information about cancer. You can also use our web chat to ask questions at [macmillan.org.uk/talktous](https://www.macmillan.org.uk/talktous)

- Information centres. You can talk to a cancer support specialist and get written information. Find your nearest centre at [macmillan.org.uk/informationcentres](https://www.macmillan.org.uk/informationcentres) or call us.

- Local support groups. Find a group near you at [macmillan.org.uk/supportgroups](https://www.macmillan.org.uk/supportgroups) or call us.

- The Macmillan Online Community. You can talk to other people in similar situations at [macmillan.org.uk/community](https://www.macmillan.org.uk/community)
